

The vision for the La Verne Veterans Memorial was to create a venue of respect, honor, and esteem for those fellow citizens of our community who have served and will serve in our nation's armed forces. We envisioned a place where veterans could connect with one another, where their families and friends could pay tribute, and where each generation of the community could learn about the efforts and sacrifices of those who came before them and those who would follow.

The Veterans Memorial provides a tangible testament to the service and sacrifices made by veterans from La Verne and surrounding communities. The memorial is located on the corner of Magnolia Street and Bonita Avenue in front of Veterans Hall. It features an obelisk with the names of the men and women from La Verne who gave the ultimate sacrifice for our freedom. It also features flags representing each branch of the military, park benches, and landscaping features.

Please join in paying tribute to the valor and contributions of all who have served our country. Become involved today by making a donation or purchasing a brick.

Preserving our history is more than remembering dates and milestones, but rather history is a collection of stories. Our Veterans Memorial tells a story of sacrifice, patriotism, and honor. By purchasing a brick, you become part of our memorial and this “living history” project the memorial is creating and preserving.
